

TY-PLATE

PERFORATED PLATE SCREEN MEDIA

TY-PLATE PERFORATED PLATE SCREEN MEDIA

TY-PLATE

Ty-Plate offers wear resistance in square, round, hexagonal and slotted openings. It is available in both hooked sections and modular panels, so there's no deck conversion required. Perforated plate can be custom made with in-line or staggered holes, and blank areas can be incorporated to handle feed and protect rails. Its tapered openings prevent pegging. Ty-Plate sections thicker than ¼ inch will be cambered for easy installation.

TOP SIZE

Up to 18" depending on the application and tonnage

OPENING RANGE

Square from 0.16" to 4.64"
Round from 0.06" to 8"
Hexagonal from 0.25" to 6"
